Walking Via Alpina - Purple Route - Self Guided

Moderate 8 days / 7 nights

The north-western part of Slovenia displays unspoilt alpine scenery and many unique natural and historical sites. Situated by the Austrian border in the shadow of the Alps the small romantic village Jezersko marks the starting point for our tour. We begin with a lovely round trip to one of Slovenia's oldest alpine huts, located just above forest line. Following the valley of the Sava River we pass by wide meadows of alpine flowers dotted with famous Slovene hay-drying racks before reaching the village Preddvor. From here we walk mountain ridges and meads, valley floors, slowly descending from east to west. Our tour meanders through quiet valley of Draga, underneath ruins of ancient Kamen castle before reaching Begunje where we spend a night. Your last night is spent in Bled, a town overlooked by a medieval castle on the edge of a pristine lake, a truly magic place.

The tour is a collection of different grade walks; however, none of them has a climber's rate. It is meant for experienced walkers with proper equipment.

WHAT TO BRING

Your enjoyment of your walking holiday will be greatly helped by having the right gear. The following list should help you in planning your packing for your trip.

Daypack - a small comfortable rucksack to carry the bits and pieces you will need during the day:

- Water bottle/flask
- Moleskin/plasters/"second skin" – ward off any impending blisters before they become a problem!
- Sun screen
- Camera
- Binoculars
- Mobile phone

Footwear: Good footwear is vital for a happy walking holiday! We recommend waterproof, breathable, walking boots with good ankle support. Boots which are "broken in" (i.e. not brand new), teamed with **well fitting hiking socks** will keep your feet snug and dry and help to avoid blisters.

Hiking Clothes

We recommend the "onion look" of layering clothing as the best protection against heat/cold:

- Base Layer –this layer should not retain moisture but transport it away from the skin (there are lots of "wick away" fabrics now on the market.
- Insulation layer – this layer should stop you from losing body heat – fleece is ideal
- Outer Layer – this layer should keep you dry even in a downpour! A **waterproof**, breathable jacket and over-trousers are as important as your comfy boots. You should bear in mind that clothing tends to lose its "waterproofness" over time so if you have had your gear for many years it might be time to treat yourself with a trip to an outdoor store!
- Walking trousers/ shorts (avoid denim)
- Warm hat and gloves for chilly mornings or high mountains
- Sun hat
- Walking stick/pole (a great help on uneven terrain)

Travel

Slovenia is well served by major airlines. Of the mainstream carriers, Slovene national airlines Adria Airways fly to Ljubljana airport twice daily from London. Easy Jet flies every day from London to Ljubljana. Ryanair serves Maribor in NE Slovenia. Airport of Ljubljana is 25 km from the centre. There are regular bus shuttle connections to the city but no trains are operating from there.

Getting there...

Starting point of this trip is Jezersko in NW Slovenia, on the Slovene / Austrian border ([google maps](#)).

By plane: closest airport is Ljubljana (LJU). Several airlines serve it. From the airport you can travel to Jezersko by bus (change once in Kranj, takes about 2 hrs) or book our transfer (faster): 45 EUR per person, two person's minimum. Transfers need to be ordered when booking the trip.

By train: nearest railway station is in Kranj, but it is difficult to get from there to Jezersko. Honestly, it's better to take our transfer: 40 EUR per person, two person's minimum.

When is the best time to visit Slovenia?

Every season of year has its own charms in Slovenia. If you like blooming fruit trees, come and visit Western Slovenia in spring. Hot summers are coolest in Alpine valleys, along crystal clear rivers and deep forests. Unforgettable autumn colours cover East Slovenian hills every September. Any time you choose to come - you're welcome!
